Submit your order in a timely manner. Each sheet has 80 labels, printed on waterproof stock. The labels will keep from year to year. If your labels get smeared then order new labels so as to not hold up sales at the cash registers. You can order any number of labels of a single price point, it does not need to be only 80.

NOTE: Vendors are responsible for submitting the Vendor Sign-up form to Society Treasurer or Show Chair before the sale. UPC bar code labels will be used at the cash register and the vendor bar codes must be unique. If you do not have a vendor bar code, it will be assigned by the Society.
