

**Schedule for Plant Hosts/Docents at the Albuquerque Botanic Garden Show
Saturday and Sunday, September 3-4, 2022**

The Cactus & Succulent Society of NM must have a minimum of two people hosting the showroom which is by the main gate to the Botanic Garden. We can have more! In past years, we had lots of interested people with basic questions! New members, please sign up! Your enthusiasm will be quite welcome! In almost all cases, your knowledge of the plants will be fine -- and if you do not know, ask one of the other docents as they may be able to help. Committee members will always be available.

In addition to hosts who greet our visitors, we need people to host the Kactus Kidz table. Volunteers talk to children about cacti and succulents using some simple games designed by our junior members to illustrate ideas. Participants receive small plants as prizes.

Rules for workers:

All "hosts" and "workers" may be required to wear a Botanic Garden badge while inside the fee area of the Garden. CSSNM name badges are encouraged as well. Only CSSNM volunteers will receive free admission while they work and during set-up/take-down. Family, friends, and general non-working members of CSSNM must pay admission. All volunteer parking will be in the main public lots.

Set-up will be on Friday, September 2, beginning at 10:00 a.m. with show plants accepted between 11:00 a.m. and 3:00 p.m., unless prior arrangements have been made with the Committee Chair or a member. Parking instructions will be provided prior to the event, and wagons will be available to move your plants the short distance from your car to the building. The display will be taken down beginning at 4:00 p.m. on Sunday.

A map showing the show location, entrances, and parking will be sent to all volunteers. Volunteers may be required to wear masks inside the building; however, all Covid-19-related requirements will be sent to the volunteers as soon as they are received from the city.

Please email Ralph Peters at RPeters52@gmail.com to sign up!
